

200 HP OptiMax Sport Jet

Taking you where the fish are.

The Mercury Sport Jet is the perfect power option when you need to get into the shallows. Thanks to its unique engineering, the Mercury Sport Jet offers you unparalleled maneuverability. Without props or skegs to get snagged on underwater obstructions, your boat can move easily into areas that outboard- or sterndrive-powered boats can't get near.

And at 200 horsepower, the Mercury Sport Jet can do more than take you to the secluded fishing holes. It's got power to spare for water activities like skiing or tubing.

The Mercury Sport Jet features award-winning OptiMax two-stroke Direct Injection technology - providing instant turn-key starting, no-smoke operation, outstanding fuel economy and excellent power. Plus, it's incredibly easy to use and maintain. Mercury's Hydro-Surge automatic weed cleanout system eliminates debris from the jet intake, so there's no worry about weeds clogging the engine. The Mercury Sport Jet also features a self-draining cooling system - which means less work at the dock and more fun on the water.

The Mercury Sport Jet is all about power, simplicity and fun.

200 OPTIMAX SPORT JET SPECIFICATIONS

[Download Specs](#)

HP/kW	200 / 147
Full throttle RPM	5150-5650
Cylinder Configuration	V-6
Displacement (L)	2.5
Bore and Stroke (in / mm)	3.50 x 2.65in 89 x 67mm
Ignition	PCM Digital Inductive
Fuel System	2-stage Direct Fuel Injection (DFI)
Alternator Amp	60 amp / 756 watt (Belt-Driven)
Cooling System	Self-draining
Starting	Computer-controlled, electric with auto-primer and turn-key
